1999 Analytical Review DWCCA-3136-ELE

Dear Mr. Kampa:

The Public Service Commission has completed their analytical review of your 1999 annual report. The primary purpose of our analytical review is to detect possible accounting related errors and to identify significant fluctuations from prior year's data, which are not sufficiently explained in the footnotes of your annual report. We have no questions, only the following comment.

During our review, we noted you reported a vendor on page W-10 for purchased water, but did not report the Point of Delivery. In the future, please report the Point of Delivery on page W-10.

You may consider your review closed. Thank you for your efforts in preparing your 1999 annual report. If you have any questions, please feel free to contact me at (608) 266-3768 or e-mail me at engele@psc.state.wi.us.

Sincerely,

Elaine Engelke
